

Application to be Appointed a Genesee County Democratic Precinct Delegate

The Genesee County Democratic Party (GCDP) is encouraging local democrats to become Genesee County Precinct Delegates. You will be empowered to be one of the representatives in your Precinct for the GCDP. This is a way for you to bring information on candidates and issues to your neighborhood. You're also encouraged to help with Get Out The Vote (GOTV), bring your issues to the County Party, and subsequently to the State Party. Precinct Delegate responsibilities also include voting to elect local and state committees and voting for local and state officers at County and State Conventions. Please get involved and make sure your voice is heard!
